PUT IN "GOOD PLAYING CONDITION"

This is the quickest way to get your instrument returned. We will do whatever is necessary to put your instrument in the proper playing condition. We will do no more than is required. Usual charges run from \$25 to \$75 plus UPS charges. Warranty is limited to actual work performed. If charges exceed \$75.00 an estimate will be sent before work is performed.

PLEASE DO ONLY THE FOLLOWING

We'll do just as you ask even if the instrument does not play because of other work needed. If we feel this is impractical, instrument may be refused and returned UPS (plus shipping and handling) or by the next educational representative visit.
